Re: Magic Johnson Enterprises Involvement In Medical Injections Programs

Magic Johnson Enterprises,

As Magic Johnson supports Medical Injections Programs for Black People, especially the Elderly, it's obvious, for some Black People, money from those with Lies and Deceit of Modern Medical Cures of Drugs & Vaccines, to be placed in Black Communities, is a Disgrace and has been used in Africa, India and other Minority Countries where millions of children have been intentionally Sterilized, while older individuals have been seriously injured and millions have died.

The Fact Black Doctors and Pediatricians' also support these Vaccinations' Programs, even in the wake of the Experimental COVID Vaccines Failure, which Private Researcher Peter Halligan on Substack exposed, **20 Million Dead and 2 Billion seriously injured, directly as a result of these COVID Vaccinations Programs**, not including Stillbirths, Suicides', Serious Injuries of people refusing to be treated by doctors, in fear of injury, or death. **For Money**, Earvin Magic Johnson, along with the money seeking Black People supporting Magic Johnson Enterprises, are all too willing to go along with even more Vaccinations Programs in the Black Communities, at the detriment of Black Lives, with Injuries and Death. What A Shame, **What Black Professionals Will Do For Money!**

Those of you who support these Medical Injections Programs in The Black Communities should take a moment to **please read the Historical Document, which was given to Magic Johnson in 1991, "This Is A Bio-Attack Alert" March 28, 1986**, by Robert B Strecker M.D., PhD and Attorney Theodore A Strecker, who exposed Vaccinations Programs being used to Spread AIDS, Cancers, Leukemia's, and other Diseases. That document along with videos, audios and a number of reference documents was handed to Magic Johnson by Elgin Baylor, who I personally placed in his hands and he promised Magic would receive the materials, proving **Magic was nothing more than a "False Positive"**.

If Black People don't wake up to the Genocide of Medical Injections Programs, it will obviously be a Tragedy against our Race, due to Black People being used and misled for **"Gratuity"**, to encourage Black People to be Vaccinated for whatever reason.
